Zahidul Islam, Frontend Developer

Mirpur 1216, Dhaka, BD zahidulislam.dev@gmail.com 01878481024
zahidul-dev (Zahidul Islam)

SUMMARY

- Motivated and growth-driven frontend enthusiast with a strong interest in creating clean, accessible,and user-focused web experiences. I enjoy learning new concepts, understanding how things work behind the scenes, and improving through constant practice. I am looking for an internship where I can work with a professional team, contribute to real projects, and develop a deeper understanding of industry workflows. I value teamwork, responsibility, and continuous improvement, and I'm eager to bring dedication and a positive learning attitude to any opportunity I join.

SKILLS
